Language

Tamil

English

Sinhala

Technical Skills

- Programming: Python, C, C++, MATLAB
- Mobile Development: Flutter (Dart)
- Databases: MySQL
- Simulation/Design Tools: Proteus, 3ds Max, Visual Studio, Cisco Packet Tracer
- Version Control & Tools: Git, Jira, Figma
- Office & Reports: MS

M.T.M. SIYA AL HUSAIN

BSc (hons) in Electrical and Information Engineering (R)

OBJECTIVE

Motivated and detail-oriented Electrical and Information Engineering undergraduate seeking a challenging position that leverages skills in embedded systems, telecommunications, electrical engineering, mobile development, and machine learning. Eager to contribute to innovative solutions while growing professionally in a multidisciplinary

EDUCATION

- B.Sc. (Hons) in Electrical and Information Engineering
 - University of Ruhuna — Present
 - Current: Third-year undergraduate
 - 2nd Year GPA: 3.47

PROJECT AND ACHIEVEMENT

- Smart Car Parking System
 - Developed a parking automation system with real-time slot detection and gate control using microcontrollers and sensors
- Smart Weather Monitoring System
 - Designed a sensor-based system for monitoring temperature, humidity, and environmental conditions in real-time.
- Public Toilet Locator System
 - Developed a mobile app to help users find nearby public toilets with filters, maps, and user ratings. Used Flutter, Dart, Firebase,
- 4G/5G Research Presentation
 - Delivered a comprehensive presentation comparing 4G and 5G technologies.
- Car Rental System (Mini Project)
 - Implemented using singly and doubly linked lists in C++ to manage vehicle data and booking processes.
- Insurance Company Database Project
 - Built a database system to handle policyholder records, claims, and insurance operations.

Interests

- Telecommunication & Networking
- Embedded Systems
- Software Engineering

Personal Skills

- Quick and active learner
- Attention to detail and analytical skills
- Motivated and well-disciplined individual
- Leadership skills and team spirit
- Public speaking
- Interpersonal and written communication

Internship Experience

- Trainee – Telecommunication Engineering
 - SLT Mobitel — 3 Months
 - Gained hands-on experience in FTTH, copper & fiber connections, and network fault troubleshooting
 - Learned about equipment configuration, network management systems, and ODN principles
